

## PRAYER POINTS

November 29 & December 1, 2022

***“For where two or three gather together as my followers,  
I am there among them.” - Matthew 18:20***

*This week’s topics to pray over:*

- That believers will arise, recognize the times we live in, and follow the Lord’s leading to get involved
- That revival will sweep across our land, bringing His ways back into every institution and social area of our nation.

*This week’s prayer of agreement:*

Heavenly Father, these are perilous times; it can feel like there’s turmoil all around us. **But You are in control!** We rejoice because even when times look tough, we see that evil is being exposed and foolishness is being seen for what it is. You are turning things around! Therefore, **we will NOT get discouraged. We will stand in FAITH for the soul of America.**

Establish the steps of Your people, Lord, and put this nation back on track. As Your truth is revealed to more people, we pray that new faces—Bible-believing brothers and sisters—will arise and obey Your voice. Even now we see it happening all around us. **We thank You that courageous people are standing up for righteousness and not holding back.**

Awaken Your people, Lord, and bring about an order that aligns with the precepts taught in Your Word. **Let revival sweep across this nation, changing hearts and bringing us back to the Christian values You instated in this country** so very long ago. May Your ways rule in our government, in our churches, in our education, in our entertainment—yes, in every aspect of our lives. You are the supreme Lawgiver; may Your light shine in the United States forevermore! Amen and amen!
