

PRAYER POINTS

September 20 & 22, 2022

***For where two or three gather together as my followers,
I am there among them. (Matt 18:20)***

This week's topics to pray over:

- That the federal and local educational authorities will have their eyes opened as to *why* having God back in our school system is imperative for our nation
- For the Church to rise up and take a stand for our schools—both in prayer and in action.

This week's prayer of agreement:

Heavenly Father, we come before You in the Name of Jesus declaring that **our children belong to You!** You love children and want all of them to come to You. We know it is Your will that they are raised up in the way they should go, so they will never, ever depart from it.

For that reason, we put on the whole armor of God that we might stand against the strategies of the devil—especially those geared toward the next generation and our educational system. We stand against **the root of the issue**, which isn't any man or woman, flesh and blood, but rather against *spiritual* forces of darkness. We take authority over principalities, powers and spirits in heavenly places, declaring that this assignment of the devil to come against our children and our schools will not prevail!

And for those leaders of ours—up to the highest office—who don't understand the true root of what's happening, **we forgive them.** We ask for Your divine wisdom for them, for all those in authority, and we receive it for ourselves, too, so that we know how to conduct ourselves and lead our school officials in Your ways.

Lord, we know You have great and mighty plans for this nation. Things are changing and we're not giving up. Having done all to stand...we stand! Jesus is Lord over the United States of America! The Great Awakening is here! Amen!
