

PRAYER POINTS *from September 12 & 14, 2023*

"For where two or three gather together as my followers, I am there among them."

- Matthew 18:20

Topics to pray over:

- That God's prophetic word be fulfilled, and revival sweeps across this land
- That America fulfill its calling of being a light of the gospel to the world.

Prayer:

At FlashPoint LIVE! in Omaha this last week, Dutch Sheets prayed a powerful, prophetic prayer for our nation. Join in agreement with this portion today:

Lord, we stand before You as Your people, in agreement with You. We're not trying to convince You to do something You don't want to do. Lord, You have said, "I am coming to this nation *to save.*" You've given prophetic words. You said something new is coming. **So now we call forth the fires of revival all across this nation.** We call forth the wind of Your Spirit. We call forth the Spirit of revelation to come upon people to open their eyes, to see their great need.

You are coming to rescue them. **Revival is coming** in one powerful outpouring of Your Spirit. Signs and wonders are coming. The spirit of deliverance is coming. An awakening is coming. Scales are falling off eyes. Prodigals are coming home. Lukewarm preachers are going to be filled with Your Spirit and be on fire!

Save this nation so that You can use us once again as a light to the nations of the earth. **We decree over America right now: "America shall be saved." America shall be reborn. America shall be restored and reset. The fires will burn again in our nation.** The covenant that was made with You at Cape Henry is alive and well. We won't stop talking about it, praying about it, and obeying You. *America shall be saved!*
