

PRAYER POINTS *week ending March 1, 2024*

“For where two or three gather together as my followers, I am there among them.”

- Matthew 18:20

Topics to pray over:

- For the physical, emotional and spiritual well-being of our children
- That parents be made aware of any deceit of the enemy targeting their children.

Prayer:

Heavenly Father, what a precious gift our children are to us! We thank You that You have entrusted these young men and women into our care, to love and to lead, and to train up in Your ways. As they are trained up in the way they should go, when they are old, they will not depart from it!

We pray for our children’s physical, emotional and spiritual well-being. Surround them by Your angels; we know those angels are in Your presence right now. **Together as the *FlashPoint Army*, we declare that our children are protected under the shadow of Your wings.** No weapon—of any kind—formed against them shall prosper!

Together, we stand against any technologies created to draw our children in and indoctrinate them with ungodly ideas. **Give parents wisdom, Lord, to see past the deceit of the enemy and see these technologies for what they are**—to recognize that diligence regarding what their children are seeing is paramount to raising them up in Your ways. Shine Your light upon the darkness.

Lord, we dedicate our children to You. **You have lifelong plans for them, plans for good and not for disaster, to give them a future and a hope.** As they are taught by You, their peace is great. In the name of Jesus, we are BLESSED by our children and look forward to the days ahead...when the entire world is blessed by their faith and their leadership, too!
