

# PRAYER POINTS

Dec. 27 & 29, 2022

“For where two or three gather together as my followers, I am there among them.” -  
Matthew 18:20

## Topics to pray over:

- That God’s people will rejoice in the continued evidence of His work in our nation
- That the Body of Christ will put their trust in God for the year ahead...for the best is yet to come!

## Prayer of agreement:

Heavenly Father, today we come to You full of thankfulness. As we look back on 2022, **we see Your faithful hand, time and again, in our nation, in our elections and in our lives.** The news media may make it appear like all is lost—and without You all *is* lost...but we have You!

- When the reports of the world are dire, we put our trust in You.
- When it seems like righteousness is being suppressed, we put our trust in You.
- When all seems lost, Lord, we put our trust in You!

Your faithfulness has been proven through the generations. **Just as the founders of this great nation put their trust in You to create a republic that could stand the test of time, so we take up that calling and continue their journey of faith for our country.**

As we enter 2023, Lord, we will continue to trust in Your promises in the year ahead, knowing that all things come together in Your timing. **We receive Your Word, full of expectation and hope.** No weapon that’s formed against the United States shall prosper. We can hardly wait because we know the best is yet to come. America shall be saved!

In the mighty Name of Jesus—amen and amen!
