

PRAYER POINTS *week ending January 12, 2024*

“For where two or three gather together as my followers, I am there among them.”

- Matthew 18:20

Topics to pray over:

- That God continues to speak to the Body of Christ clearly in these critical days
- That we share His truth with boldness and love.

Prayer:

Heavenly Father, we thank You that in these end times, dreams and visions are being given to Your people. **Even today, You are speaking vividly to Your children!** Give us words of wisdom, Lord. Give us words of knowledge. Give us prophecy. And most importantly, give us the courage to share Your messages with confidence and love.

Help us, Lord, to discern Your voice, to hear Your voice clearly, and to never follow the voice of a stranger. Rather, **Lord, give us boldness to follow Your voice when You call.** Make the Body of Christ willing and obedient to make Your ways known to the world. May we show our faith through the way we live...as a light that pierces through the darkness!

As Lance Wallnau said on *FlashPoint* last week, “This is the year the church shows up!” We stand in agreement concerning this prophetic statement, and pray the world—and even the devil himself—would take the Word seriously! **We do...and we acknowledge You in all our ways.** Direct our paths and keep us from stumbling.

May your Church awaken, Lord. There’s much to be done. Help us to have eyes to see all the good things You have in store for the *FlashPoint* Army, the Body of Christ, and for America! In Jesus’ Name!
