

## PRAYER POINTS

August 16 & 18, 2022

### ***Topics to pray for:***

- Supernatural intervention in light of the dangerous revelations regarding our political system and the use of federal agencies
- The safety, security and courage of those taking a stand for election integrity
- The future of our nation's elections.

### ***Prayer of agreement:***

Heavenly Father, Your Word tells us that all things hidden shall be revealed. We thank You that the truth, currently being hidden by lies, will be revealed, all having eyes to see and ears to hear. We know that those who plot wicked schemes will not succeed, and that You bring justice to those who oppress Your children and suppress the truth. May everything done in the darkness come to light! We praise and thank You for being our Defender and our Deliverer!

Lord, we also pray for our nation and Christian believers as we approach the midterm elections. As worry and fear run rampant—we thank You that You are our Strength and very present Help in time of trouble. You have not given us a spirit of fear, but of power and love and a sound mind! Father, may we be willing servants as You equip us with all we need to do Your will. We thank You in advance that righteousness always prevails and for the victory we have in You! In Jesus' Name—Amen!
