

PRAYER POINTS *from Oct 31 & Nov 2, 2023*

“For where two or three gather together as my followers, I am there among them.”

- Matthew 18:20

Topics to pray over:

- That God divinely intervenes in the situation in the Middle East
- That the Lord restrains the nations and brings peace and deliverance into these difficult situations.

Today we agree the prayer Hank Kunneman prayed on last Tuesday’s broadcast:

Heavenly Father, we’re asking for Your divine intervention to break up any satanic gathering and coordinating that would bring the nations in the Middle East to battle. Holy Spirit, You are the restraining force in the earth. The Scripture says You are able to restrain the Antichrist and the Antichrist spirit. So, Spirit of Truth, **we pray for Your restraint to come now against that which the enemy would seek to do, where he would seek to steal, to kill or to destroy.** Preempt any plans of the enemy that would bring bloodshed across the earth.

God, we are asking according to Psalm 121 that You, the God who doesn’t sleep, would bring about a preservation. Bring protection in the earth among those nations. **Keep them from moving forward with hatred, with evil and with acts of war. Restrain them—and bring peace.**

God, bring a preservation that only You can bring—a preservation that is not by *our* might, but it’s by You, the spirit of the living God. We trust You, and we, the remnant, the *FlashPoint* Army, cry out. **We ask You to move divinely and bring deliverance,** as You did in the days of Shadrach, Meshach and Abednego. Bring deliverance as You did when You closed the mouths of the lions with Daniel. In those accounts, **there was an intervention of God that superseded the expectation and outcome of man.** We are asking You, God, to move now by Your Spirit and by Your glory in only a way that You can do. And may You receive the honor, in Jesus’ Name. Amen!
