

## PRAYER POINTS *week ending April 5, 2024*

*“For where two or three gather together as my followers, I am there among them.”*

- Matthew 18:20

On last Monday’s broadcast, Tim Sheets and Rachel Shafer shared from their new book, *Come Home*, about how we can believe in faith for our lost children to return to the Lord. Let’s agree with their prayers this week.

### **Prayer:**

**Tim:** God, we thank You that You hear us when we pray. You are listening right now and You’ve listened to the millions of prayers that have gone up from moms and dads for their prodigals. You’ve heard them all. **And, Lord, we're asking that You would supernaturally, across the United States and the world, begin to answer those prayers.**

**Rachel:** Lord, You have the last word. That’s what we’re believing, and that’s what we’re prophesying. Right now, Father God, we believe that from the four corners of the earth, **our sons and daughters are awakening to the reality of who You are**—and that You are drawing them home. We pray for an outpouring of Your Spirit on our sons and daughters.

In Jesus’ Name, **we break off any doubt, any unbelief and any hopelessness that might be in the hearts of parents.** Instead, let faith rise up! We also bind any spirit of confusion over the lives of our young people. We believe with all our hearts that our prodigals will be saved. They are coming home!

**Tim:** We synergize our faith and we say in the Name of King Jesus, “Come home! Come to Father’s house. He wants to hug your neck. He wants to run to you. He wants to put that ring back on your hand. He wants to give you those shoes, and dress you, and give you your inheritance back. **Come home and receive your inheritance back in the Name of King Jesus!**” Amen!
