

PRAYER POINTS *from Jan. 24 & 26, 2023*

“For where two or three gather together as my followers, I am there among them.” - Matthew 18:20

Topics to pray over:

- That this stirring revival will overflow across our nation
- That, according to the promises in God’s Word, entire households will receive salvation, calling back the prodigals to Him.

Prayer of agreement:

Heavenly Father, prepare Your people for revival. Prayers and intercessions have been made, and Your Church is calling out: “Revive us, O Lord!”

We are full of expectation. We sense revival is coming. We can see the signs of the times. We can see sparks here and there, a stirring taking place. **Now we pray that revival begins to overflow across our nation.**

We, as the Body of Christ, repent and turn to You. We call our brothers and sisters, our neighbors and family, to repent and turn to You. Let the lost see that their sins can be wiped out, moving us into divine times of refreshing.

Bring Your signs. Bring Your wonders. Bring Your compassion and love to Americans everywhere. Bring Your fires of revival and let them burn in us.

Lord, as revival comes, we take hold of Your promises and refuse to let go. We’re standing in faith for entire households. **We call for laborers to reach out to our kids, our spouses, all our loved ones; bring the prodigals back to You!** We take authority over what binds our children and we release Your deliverance power into their lives. We pray they come to know You and discover the abundant life and freedom only You can bring. Amen and amen!
