

## PRAYER POINTS *from March 21 & 23, 2023*

*“For where two or three gather together as my followers, I am there among them.” - Matthew 18:20*

### Topics to pray over:

- That the Body of Christ will stand firm, putting trust in the Lord above all else
- That God’s justice will reign in America, regarding all the news we’re facing today.

### Prayer of agreement:

Heavenly Father, we don’t put our trust in horses and chariots. We don’t put our trust in riches. We don’t put our trust in men or human institutions. **With our whole heart, we put our trust in YOU!** As Your Body, we submit to You in all our ways, Lord, asking that You make America’s paths straight. We commit our country to You—trusting in You by faith...and **we know You will act!**

Yes, whatever we ask in prayer, when we stand in FAITH and BELIEVE that we have received, it HAPPENS according to Your will. Therefore, **we pray that in the United States, Your justice reigns above all else.** We pray that our government stands on the principles of Your Word, with liberty and justice for all. Your Word says You love justice and require it of us—so **we keep pressing into You for a just outcome in all the recent matters facing America today.** May Your will be done!

As these end times move forward, **we thank You for keeping us in perfect peace.** You are our Rock and we will trust in You. In Jesus’ Name. Amen!
