

PRAYER POINTS *from July 4 & 6, 2023*

“For where two or three gather together as my followers, I am there among them.”

- Matthew 18:20

Topics to pray over:

- That the American Church, the Body of Christ, awakens to His call
- That we operate in love and boldness, sharing God’s Word and showing people everywhere the path to true freedom.

Prayer:

Heavenly Father, we rejoice because You are doing GREAT THINGS in our nation. We see people rising up, against the odds, and standing for Truth. We see people rejecting entertainment with extreme agendas. We see people taking a stand for morality, even at the risk of standing alone.

But as Your children, we are not alone. Lord, awaken Your Church. Awaken the Body of Christ and help Your people to find their voices. Just as You did in the book of Acts, give us boldness and give us courage to stand up against the forces of darkness, those spiritual powers that would try to put their claws in this great land of ours.

We bind the work of the enemy and we pray that angels would minister to the people of God. Speak to them in visions and dreams. Convict them to share Your Truth above all else—for Your Word is living and active, sharper than a double-edged sword, piercing to the core...but it’s also the only way to true freedom. We pray the American people would know Your Truth and that the Truth would set them FREE!

We agree and take a stand by faith today—together—knowing that Jesus is here with us, in our midst. Victory is here! Amen!
