

# PRAYER POINTS

August 23 & 25, 2022

## *Topics to pray for:*

- The eyes of the people to be open to the lies and false narratives painted by the MSM
- Justice to prevail in the aftermath of the Mar-a-Lago raid as well as in the White House's unconstitutional and uncongressional decision to grant student loan forgiveness
- Title IX to be overturned and the transformation of hearts and minds of those leading the transgender movement.

## *Prayer of agreement:*

Heavenly Father, we humbly come before You on behalf of our great nation and all its citizens. We ask for a righteous rebellion to arise—that we may take back our country for Your glory, Lord. Your Word tells us that when the righteous rule, the people rejoice—but when the wicked rule, the people groan. Father, we the people are groaning and calling out to You over the injustice being sown in our country. We know that You, O Lord, are faithful, and You will answer and set us free!

Although the enemy is incessantly working through various outlets to spread a message full of lies, we know that You alone have the VICTORY. We ask for Your peace to replace any and all confusion plaguing people because of the enemy's lies. May the message of Your beloved Son, Jesus Christ, overpower them, and may the freedom of Your truth fall upon all Americans so that souls will be saved. In Jesus' mighty Name—Amen!
