

PRAYER POINTS *week of Nov. 28, 2024*

"For where two or three gather together as my followers, I am there among them."

- Matthew 18:20

Topics to pray over:

- That when we, as the *FlashPoint* Army, hear the news, we would approach it in a spirit of faith, not fear!

Prayer:

Heavenly Father, the news media would have us think that when it comes to our nation, the elections, Israel, world news and more, there is no hope. But I don't believe that. **You are my hope and no matter what happens in this world, nothing can separate me from Your love!**

The spirit of fear hasn't come from You. No, You've given me a spirit of *power, love* and a *sound mind*. Therefore, as a member of the *FlashPoint* Army, **I refuse to give into fear**. When I hear news stories that induce anxiety or worry, I will cast my cares on You and stand in faith.

With faith, the impossible can happen. Mountains can move. Circumstances can change. Lives can be turned around. So in faith, I seek You first, with a mind renewed in Your Word. **I cast down imaginations and declare that "Jesus is Lord" over any newsworthy situation.** You have a plan and a purpose for us, and I trust that You will work all things together for good, for those who love You and are called according to Your purpose.

I am strong and courageous. I will not be afraid, for You are my God, and You are with me everywhere I go. **I will be a voice that speaks Your Word of faith**, praying for wisdom for our nation's leaders, praying for protection for those involved in war, and praying for Your divine intervention. **Nothing is impossible with You!** In Jesus' mighty Name. Amen!
