

PRAYER POINTS *from Dec 12 & 14, 2023*

“For where two or three gather together as my followers, I am there among them.”

- Matthew 18:20

Topics to pray over:

- That those who oversee the crisis on our Southern border are strengthened and protected
- That those who follow God’s will are promoted, and those who counter it will be removed.

Prayer:

Heavenly Father, as the *FlashPoint* Army, we come together to pray for those who are on the front lines—especially on our Southern border. First of all, we pray for protection and strength and that the men and women serving are ever mindful of Your presence. May they follow You as their Commander in Chief, yielding to the Holy Spirit. We charge angels to encamp around them and watch their every step.

Lord, You are know the end from the beginning. For those trying to legally cross the border, we pray that their prayers are expedited and that they can become productive, contributing members of this great country. For those who mean us harm, we pray that You thwart their plans and that no weapon formed against the United States will prosper!

May our statesmen hear Your voice and not follow the voice of a stranger. If anyone in government means ill will for this nation, we pray they are divinely removed from office and replaced with those who can hear from You, who trust in Your Word. We will be a nation whose leaders seek You first, and Your righteousness! Amen!

We say it together: “America shall be saved.” We shall return to the glory of our former years with even greater things to come. In the mighty Name of Jesus!
