

PRAYER POINTS *from May 16 & 18, 2023*

“For where two or three gather together as my followers, I am there among them.”
—Matthew 18:20

Topics to pray over:

- That God’s Truth will continue to prevail across the nation
- That the *FlashPoint* Army will stand strong in faith and action.

Prayer of agreement:

Heavenly Father, we are so encouraged by the Truth we see in Your Word on a daily basis. **We pray that those things hidden in darkness will continue to come to light.** As evil is revealed, may Your Truth prevail across this great nation of ours!

We pray that Your Light will shine through us before men, that they may see your good works and glorify our Father in heaven. Give Your people wisdom, Lord. Clearly direct our paths.

We pray that the *FlashPoint* Army will take the principles they discover on the broadcast, at *FlashPoint* LIVE events, and at Flash Talk sessions and, **having faith in God, put their FAITH into ACTION**—reaching their local governments, school boards, and even their neighborhoods.

Strengthen and give courage to Your people as we stand for uncompromised Truth, Lord. Revival is here! We proclaim that **Jesus is Lord over the United States of America!** In Jesus’ Name. Amen!
