

PRAYER POINTS *week ending January 12, 2024*

“For where two or three gather together as my followers, I am there among them.”

- Matthew 18:20

I encourage the FlashPoint Army to join us for a corporate fast this February. Today we pray about that. Learn more at govictory.com/fast.

Topics to pray over:

- That God prepares our hearts and minds for the upcoming corporate fast
- That we hear clearly from the Lord during this time.

Prayer:

Heavenly Father, we come before you as the *FlashPoint* Army, unified and ready to take a stand for our country and the world. You have laid it on our hearts to have a corporate fast for the purpose of turning around the serious situations we’re facing in this nation. We will obey!

Even today, we pray You would prepare our hearts for this powerful time together. As we engage in this fast, February 5-25, we pray that You would bring about breakthrough. We pray that the stubborn and global strongholds that have taken hold of the United States and our partners in the world would be torn down. We take authority over them in the Name of Jesus, saying that they must bow to Your mighty Name.

Together, we will stand for an awakening to You in the Body of Christ, America, Israel and the nations. We stand for the 2024 elections that they would be fair and unobstructed by confusion and interference. We stand for breakthroughs in our ministries and in our personal lives. And we pray that You would prepare us for all that is on the horizon in the days ahead.

Every day we seek You, Lord. We humble ourselves and we pray. Silence the noise around us and help us to follow Your voice clearly. We submit ourselves to You, in the Name of Jesus!
