

## PRAYER POINTS *from Jan. 17 & 19, 2023*

*“For where two or three gather together as my followers, I am there among them.” - Matthew 18:20*

### Topics to pray over:

- That revival will sweep the United States, coast to coast, and bring a restoration of God’s Truth across the nation
- That this next generation will receive a special touch from the Lord, that our children will be raised to know Him.

### Prayer of agreement:

Father God, revival is on our hearts! Our nation needs to turn back to You. Holy Spirit, we pray that You will move in a powerful way this February at the upcoming *FlashPoint* Live in Pensacola, Fla. **We call in people from all over the United States to come and be equipped, inspired and encouraged—and then take the action points they discover back to their hometowns.** May Your people, *godly people*, become a strong influence in their local school boards, in their city governments and even in their marketplaces. Change often happens from the bottom up, so we pray You will equip Your people to make a difference. **As the *FlashPoint* Army, we will stay engaged for America!**

We also lift this next generation to You. We pray that You will help us **raise up our young men and women with a passion to restore biblical truths and morality to this nation.** Give us the wisdom to teach them how to overcome evil with good. And help our wayward children to “come to their senses” and see clearly, just as the Prodigal son did. We declare that addictions, deceptions and demonic strongholds are broken off them in the name of Jesus! They are the future American Church and **they will be MIGHTY!**
