

PRAYER POINTS *from June 27 & 29, 2023*

“For where two or three gather together as my followers, I am there among them.”

- Matthew 18:20

Topics to pray over:

- For revival in the gay community, that all would come to know Christ in all His fullness, and turn to Him
- That people everywhere would be drawn to the new movie *Sound of Freedom* and become aware of the human trafficking issue in the United States.

Prayer:

Today we agree with Pastor Landon Schott’s prayer:

“Lord, we pray for revival in the gay community. Like the prodigal son, we pray that Your sons and daughters would begin to come home. Lord, as they do, we pray that Your people would have Your heart and the mind of Christ, responding like the prodigal son’s father: Ready to greet them with a ring and open arms.

“Lord, we pray that Your Spirit would begin to minister to those lost in this sin. We pray that they’d encounter angels who would speak to them. We pray for dreams. We pray for visions. Even on social media, as the FlashPoint Army spreads Your love and Your life, we pray this message makes its way to people who need Your hope. Lord, give us a great love—*Your love* for this community.”

Finally, Lord, we lift up the release of the movie *Sound of Freedom*. Draw people to it, Lord. Bring a new level of awareness to people all across our nation regarding the human trafficking wickedness happening at our borders. Stir not only Your people, but *all* people to see what’s going on...and how they can make a difference. Amen and amen!
